

Ambassador Anil Trigunayat, IFS (Retd.)
President, MIICCIA

has been a professional diplomat for more than 30 years across continents in different capacities. Under his dynamic leadership, the MIICCIA Chamber has made impressive strides in the last 6 years in global outreach in the form of signing Memoranda of Understanding with foreign Chambers and industry organizations, leading delegations, and other related commercial seminars and events such as ASEAN, Latin America, and Caribbean Region, Central Asia, BIMSTEC, Africa, etc. He has been associated with many prominent organizations such as the All India Management Association, Member of the International Trade Council Brussels, a Distinguished Fellow at the Vivekananda International Foundation, Adviser BRICS Chamber of Commerce / India-Italy Chamber, among others.

Who We Are

A non-government, not-for-profit organization, Millennial India International Chamber of Commerce, Industry & Agriculture (www.miiccia.com) aims to be the leading voice of India's business and industry. By encouraging critical debate, it articulates the views and concerns of industry.

Drawing its strength from diverse regional chambers of commerce and industry across States in India as well as from counterpart Chambers of Commerce in foreign countries, it serves its members from the Indian private and public sectors and multinational companies. India has marched forward to become the fastest growing economy in the world. 'Incredible India' no longer remains only a national imagination, and that makes MIICCIA a more responsible Chamber of Commerce in the country.

We at MIICCIA realize that stronger cooperation is required between policy makers and business & industry to create a stronger environment for the accelerated economic growth. We aim to further strengthen cooperation between all stakeholders for empowering business, industry and agriculture for ensuring all round economic development of the country.

We are continuously striving to facilitate linkages between the stakeholders. Starting across tie-ups and business initiatives, we are gradually expanding to diverse sectoral, sub-regional and pan India level initiatives.

In executing this mandate, MIICCIA works closely with the government, industry and institutions & foreign diplomatic Missions. Shortly it will tie up with multilateral bodies and funding agencies.

What We Do

Our key activities are to

- ☞ carry out research for achieving the objectives of the chamber and to collect and disseminate useful information, knowledge and statistics concerning economy, commerce and agriculture.
- ☞ hold seminars, conventions, discussions, workshops, exhibitions, businesses meets and send/invite delegations from India to other countries and vice versa for the benefit of commerce, industry and agriculture.
- ☞ promote and foster unity, amity and fraternity amongst persons concerned with trade, commerce, industry, professions and agriculture for protection and advancement of their interests.
- ☞ take lawful steps for resolution of problems relating to the welfare and interests of trade, business, industry, agriculture and other areas coming within the ambit of this Chamber, and
- ☞ create institutional linkages with Commerce & Industry Association in India & abroad to create mutually beneficial synergies.

We are in the continuous process of further upgrading our research team to carry out extensive in-depth research on Indian economy, exports & imports and the bottlenecks and non-tariff barriers therein.

The Chamber plans to provide expert advice on diverse subjects such as industrial growth, monetary & fiscal policy, exchange rate policy, economic planning, taxation laws, VAT, GST etc. We are also working on new opportunities available in foreign countries.

Since we have been approved by DGFT, we also 'attest' export documents, issue 'Certificate of Origin', issue 'Recommendation Letters' for issue of business visas by foreign diplomatic missions in India.

Our Strength

Our unique strength is our Council of Advisors consisting of a significant number of recently retired Ambassadors / High Commissioners of India, each of whom has over 33 years' of experience in political and economic diplomacy in different parts of the world.

All of them have significantly contributed to the functioning and defending India's economic & commercial interests in multinational fora like World Bank, EU, WTO, UNESCO, OECD etc. These former diplomats have significant personal contacts with different Trade Organizations and policy making authorities of the governments, both Indian and foreign. They are also honorary advisers of different Chambers of Commerce and Trade Councils both in India and abroad.

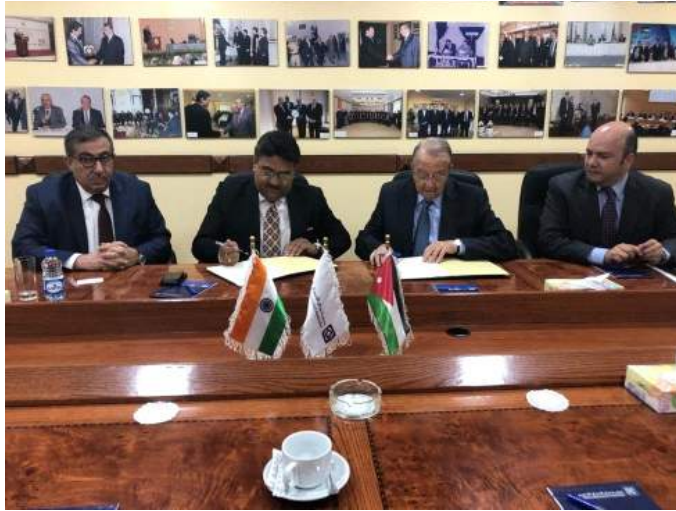

Similarly, retired foreign Ambassadors, who had worked in India, and other personalities having distinguished careers in their respective fields are on board as Advisors of the Chamber. By virtue of their being important office bearers, they have extensive association with Indian and overseas Industries/Chambers, understands the need of business houses & industry and contributing through their experience and expertise for the growth of business/industry and advancement of bilateral/multilateral economic cooperation.
